Subject: *Federally Chartered Corporation: Review of the Financial Statement Audit Reports for the Jewish War Veterans of the United States of America, Inc., for Fiscal Years 2000-2002*

Dear Mr. Chairman:

As requested, we reviewed the audit reports covering the financial statements of the Jewish War Veterans of the United States of America, Inc., a federally chartered corporation, for the fiscal years ended August 31, 2002, 2001, and 2000. The corporation's purpose is to preserve the records of patriotic service performed by the men and women of the Jewish faith and honor their memory.

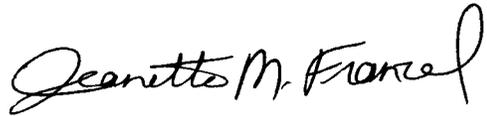

Federally chartered corporations are required under 36 U.S.C. §10101 to

- present the corporation's assets and liabilities and reasonable detail on the corporation's income and expenses in annual financial statements, and
- obtain an annual financial audit by an independent public accountant.

The objective of our review was to determine whether the audit reports complied with the financial reporting requirements of the law. In carrying out our work, we reviewed the corporation's financial statements and the accompanying notes, performed certain analytical procedures related to information presented in the financial statements, and reviewed the auditors' reports. We also held limited discussions with the corporation's auditors regarding potential enhancements that could be made to the corporation's financial reporting. However, we did not review the auditors' working papers, and we are not rendering an audit opinion. Our review disclosed no reportable instances of noncompliance with the financial reporting requirements of the law.

The audit reports included the auditors' opinions that the financial statements of the corporation were presented fairly in accordance with U.S. generally accepted accounting principles. We are returning the audit reports you sent with your letters.

Sincerely yours,
