October 4, 1976

B-115398

To the President of the Senate and the  
Speaker of the House of Representatives

On September 28, 1976, we received copies of the President's 22nd special message for Fiscal Year 1976 and the Transition Quarter that was transmitted to the Congress pursuant to the Impoundment Control Act of 1974. The special message contains two supplementary reports as follows:

- D76-86B Department of Defense  
Military Construction
  
- D76-9B Department of Health, Education, and Welfare  
Office of Education  
Higher Education

D76-86B increases the net amount that was deferred through the Transition Quarter by \$3.9 million. Supplementary message D76-9B increases the amount deferred through September 30, 1976, by \$36,930,741. The supplementary information in the two revised deferral proposals is accurate and does not require revision of our comments on these impoundments.
