Dear Sir:

An audit of travel and commercial vouchers (other than imprest fund vouchers) paid by the accounting and finance office at your installation for the period July 1, 1970, through March 31, 1971, disclosed no errors in the samples examined.

If these findings for the period ending March 31, 1971, are indicative of current operations, it is apparent that your controls over these activities are satisfactory.

Sincerely yours,

A handwritten signature in cursive script, appearing to read "Irwin M. D'Addario".
