Dear Sir:

Our audit of the travel and commercial vouchers submitted by the accounting and finance office at your installation for the period October 1, 1969 through June 30, 1970 disclosed no errors in the samples examined.

By letter dated January 29, 1970, we reported that the audit of vouchers for the period April 1 through December 31, 1968 disclosed an error rate of 2.9 for travel vouchers. It appears that the accuracy of payments has improved on travel vouchers.

Since this audit included payments from October 1, 1969 through June 30, 1970, the findings may not be indicative of current operations.

Sincerely yours,

S. D. McElyea
Regional Manager
