Attention: AC

Dear Sir:

Reference is made to letter dated May 3, 1971, from the Comptroller commenting on our letter of April 2, 1971, reporting the results of our audit of military pay records and travel, commercial, and military pay vouchers submitted by the accounting and finance office at Shaw Air Force Base for the period October 1, 1969, through June 30, 1970.

In his reply, the Comptroller concurred with our findings except in the case of E-5 John W. Hook. He pointed out that the leave taken during the period in question was convalescent leave. He advised that the notice of exception (NOE) received concerning this overpayment had been returned to the Air Force Accounting and Finance Center (AFAFC) requesting cancellation.

The AFAFC returned the NOE to us with the above information, and, based thereon, the NOE was cancelled. Accordingly, we have adjusted our record of audit to remove this case as an error.

We appreciate the interest displayed in our report of audit.

Sincerely yours,

S. D. McElyea
