Attention CC

Dear Sir

In your letter of January 11, 1971 you commented on our letter of December 18, 1970 which reported our audit of accounts for the period January 1 through September 30, 1969.

You considered three of the travel vouchers cited in our letter to have been correctly paid. We have removed all three from the error statistics, which reduces the error rate to 2 per 100 travel vouchers and the estimated errors to 300 for \$2,700.

We appreciate the interest displayed in our report of audit.

Sincerely yours,

S. D. Kelly
Regional Manager

cc Comptroller of the Air Force
