On May 21, 1984, the President's tenth special message for fiscal year 1984 was submitted to the Congress pursuant to the Impoundment Control Act of 1974. The special message proposed one new deferral totalling \$8,000,000. Our report follows.

DEPARTMENT OF THE INTERIOR

We have confirmed that, as stated in the deferral message, the deferred funds have been released by the Office of Management and Budget.

We have reviewed the tenth special message. Except as noted above, we have identified no additional information that would be useful to the Congress and we believe that the proposed deferral was in accordance with existing authority.
